

## DISCO-PANEL “BUBBLE”

The DISCO-PANEL “BUBBLE” has a specific convex shape, which gives additional dynamic to the room. Disco-Panel will become the focal point of your club, and will provide the ultimate experience for your clients and customers. Regardless the size of your place, the DISCO-PANEL “BUBBLE” is guaranteed to be a crowd pleaser. It is perfect for designing of bars, discos, lounges, cafés or clubs as well as for modern offices, reception rooms and halls. Disco-Panel is made of unbreakable (anti crash tests approved), hardly inflammable, non-translucent plastic, 1 mm (0.04”) thick or 1.5 mm (0.08”).

Disco-Panel BUBBLE as a non-lighted product is available with many different colors, which can be combined with each other, and this way creating fantastical individual patterns of a innovating design.

**Single BUBBLE** is the basic unity, which is considered for the calculation of the quantity required for the decoration of a certain space.

**Disco-Panel BUBBLE** is available in many different colors, and is made of non-translucent, non-breakable, hardly inflammable plastic.
