

LED-DISCO-PANEL “BUBBLE”

Utilizing *state-of-the-art LED technology*, LED-DISCO-PANEL “BUBBLE” is providing a stunning, energy-efficient visual display.

The LED-DISCO-PANEL “BUBBLE” has a specific convex shape, which gives additional dynamic to the room. Disco-Panel will become the focal point of your club, and will provide the ultimate experience for your clients and customers. Regardless the size of your place, the DMX-LED-DISCO-PANEL “BUBBLE” is guaranteed to be a crowd pleaser. It is perfect for designing of bars, discos, lounges, cafés or clubs as well as for modern offices, reception rooms and halls. Disco-Panel is made of unbreakable (anti crash tests approved) , translucent, mirrored plastic, 1 mm (0.04”) thick or 2 mm (0.08”).

Single BUBBLE is the basic unity, which is considered for the calculation of the quantity required for the decoration of a certain space.

4-BUBBLE-Set concerns the same product, but it is constructed as such a module for the easier and faster installation.

With its sleek profile and modular design, the LED-DISCO-PANEL “BUBBLE” is unlike any other led lighting panel on the market, offering a limitless variety of vibrant colours and performing an array of visual effects, limited only by your imagination. What’s more, such effect lighting solutions were previously only available to the corporate elite in the entertainment industry. We bring big business entertainment even to the small business owner.
